Maintenance & Support

We offer three levels of maintenance & support

Maintenance	Maintenance fees are charged at 20% per annum of the total silence cost of your system. Bug fixes in upgrades will not be applied retrospectively to older versions.
Support option 1	Email support is available from our help team - response within one business day. This option is charged at 10% of the total license fee
Support option 2	This is the preferred option (and most popular) as we can very quickly fix problems by connecting remotely to your system via the internet. A high speed internet connection is preferred. Fees are charged as per Option 1 plus 10%
